Important Questions	Answers	Why This Matters
What is the overall <u>deductible</u> ?	Medical & Prescription Drug Deductible: \$4,000 member/ \$8,000 family Benefits are administered on a calendar year basis.	Generally you must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, they have to meet their own individual <u>deductible</u> until the overall family <u>deductible</u> amount has been met.
Are there services covered before you meet your <u>deductible</u> ?	Yes: preventive care, routine eye exams, are covered before you meet your <u>deductibles</u> .	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/ coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$6,000 member/ \$12,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why This Matters
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
	Yes. See https://www.harvardpilgrim.org/public/find- a-provider or call 1-888-333-4742 for a list of <u>network</u> providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
